# ELECTROSTATIC SPRAYER SOLUTION COMPATIBILITY

CH90100  
1/2 Gallon ES Sprayer

## READ INSTRUCTION MANUAL BEFORE USE

- Do not use bleach, alcohol, chlorine, hypochlorous acid, hydrogen peroxide, vinegar, or oil-based solutions
- Do not use tablets, powder or abrasive chemicals
- Do not combine chemicals
- The Hoover Commercial Electrostatic Sprayers are compatible for use with most water-soluble chemicals.
- Before using any cleaning or garden chemicals, refer to the chemical manufacturer's SDS sheet for safe use.
- Before using any cleaning or garden chemicals, refer to the chemical manufacturer's master label for approved battery powered and electrostatic sprayer application.
- Clean your Sprayer and remove chemicals after each use.
- Do not store chemicals in the Sprayer.
- Please continue to check HooverCommercial.com for updates to this list.
